

Riviera / Lounge-chair
Design / Lucidi / Pevere

Test
EN581-1 / EN581-2

Designed by Lucidi/Pevere, Riviera is a collection consisting of a chair, small armchair, lounge and stool; its main characteristic is an elegant minimal graphic design. The entirely welded structure is made from Fe360 tubular steel and rounded (half almond) bars. EMU-Coat finish (cataphoresis + painting).

Description

Code: **437**
Typology: **Armchairs**
Collection: **Riviera**

Stackable: 8
Seat Cushion: Yes
Static Load: 200 Kg
Test: EN581-1 / EN581-2
Cushion Material: Acrylic Fabric

Technical Info

Width: **66.5 cm**
Depth: **72 cm**
Height: **69 cm**
Weight: **9.20 Kg**
Static Load: **200 Kg**
Seat Cushion: **Yes**

Packaging

Packages: **1**
Pieces for pack: **2**
Dimensions: **82x75x69 cm**
Volume: **0.424 mü**

Polyethylene bag and cardboard box

Materials

Steel

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosio process.

Maintenance: To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.

Cushion Material

Acrylic Fabric

Il tessuto 100% acrilico viene internamente spalmato con poliuretano; tale processo lo rende idrorepellente, altamente resistente ai raggi UV per un ottima performance nelle aree outdoor.
